Electronics as an elective with 71 percent.

10th, *Bhuvana Jyothi Residential School* Jun 2015 – Mar 2016 | Moodbidri, India
CBSE Board with 9.4 CGPA.

💼 Professional Experience

Full Stack Web development Intern, *DevTown(formerly ShapeAI)* Aug 2021 – Dec 2021 | Bangalore, India
- created visually appealing and user-friendly web applications using **HTML, CSS and JavaScript.**
- collaborated with senior developers and designers to implement responsive designs, improve website functionality, and enhance the user experience.
- Key tasks included writing **clean, organized, and maintainable code, developing and testing user interfaces, and troubleshooting issues** to ensure optimal website performance.
- Gained hands-on experience in front-end development and learned how to work effectively in a team environment.

📁 Projects

Shopping-Verse, *E-Commerce Backend* 🔗 Jul 2023 – Jul 2023
- Developed a robust e-commerce backend system using **Java and SpringBoot**.
- Enabled user and seller interactions to perform successful order transactions.
- Integrated an efficient **MySQL database** for managing and storing product, user, and order information.
- Implemented **Swagger UI** for intuitive API documentation, ensuring clear communication with front-end teams.
- Incorporated a reliable **mail sender** for real-time notifications, enhancing the overall user experience.

Student Result Management System 🔗 Mar 2023
- A comprehensive student result portal using **Java and Java Swing**.
- Created an intuitive admin section that allows for efficient management of student records and results.
- Implemented a student section enabling **seamless result retrieval** based on roll numbers.
- The portal provides a **user-friendly interface** for administrators to manage and update student information.

Maze Solver 🔗 Mar 2023
- Maze Solver project built on **Java and Java Swing**.
- Offers graphical interface for **user-friendly maze visualization**.
- Real-time display of algorithm progress and optimal path.

🧠 Skills

- Java
- JavaScript
- SQL
- SpringBoot
- OOPS
- Python Basics
- HTML
- Data Structure and Algorithms
- OS
- CSS
- DBMS
- Computer Networks

🌐 Languages

English • Kannada • Hindi • Tulu

🏅 Accomplishments

- **NPTEL** course on **DBMS**.
- Solved more than **1000 problems on leetcode and AccioJob portal**.
- **National-level gold and silver** medalist in karate.
- **An athlete** specializing in 100 meters dash, 200 meters dash and Relay.
